I declare that I am a candidate for a doctoral contract at the Université de Haute Alsace.

I have read the calendar of tasks for the attribution of these doctoral contracts on the website of the UHA doctoral training division in Exact Sciences.

The transmission to the UHA of the transcript of marks for semester 4 of the master's degree, as soon as it is available, is essential for the final attribution of the doctoral contract.

I have noted that the UHA doctoral training pole will **communicate with me by e-mail** (at the address indicated on page 1) and that I should be reachable by this means until the end of the contract awarding process.

Finally, if my application passes the first selection stage, I will be required to attend an audition.

The hearings will take place from **28 to 29 May 2024**.

I will send a 2-pages document describing my Master internship.
